

# Funding does not appear to favor Biden-won jurisdictions

Population-weighted IJJA funding per resident by statewide 2020 presidential winner

**Statistical checks: Mann-Whitney  $p = 0.172$ ; population-adjusted Biden coefficient  $p = 0.341$ . Neither difference is statistically significant.**

Sources: Course-provided IJJA allocation data (March 2023); U.S. Census Bureau population estimates; official FEC 2020 results.

Scope: 50 states and the District of Columbia. Territories and Tribal Communities are excluded from the election comparison.
