

Per-resident funding ranges from about 308 to more than 5,000

The highest allocation per resident is 16.4 times the lowest allocation

Sources: Course-provided IIJA allocation data (March 2023); U.S. Census Bureau 2022 estimates and 2020 Island Areas counts.
Note: Values are rounded to the nearest dollar. Tribal Communities are excluded because no mutually exclusive population denominator is available.
